NOTICE OF PUBLIC HEARING

NOTICE is hereby given that the Honourable Ray Williston, Minister of Lands and Forests, has requested me to advise the Government concerning the allegation that tree-farm licensees bidding for unalienated Crown timber either within or without public sustained-yield units (public working circles) have, on competitive sales, an unfair advantage over other bidders not holders of tree-farm licences. It has been alleged such licensees, assured of the allowable cut from the licensed areas at appraised prices, are thus able to bid up competitive sales and, by prorating the cost of stumpage from timber acquired at upset appraised prices from the licensed areas with the bid prices over upset on public competitive sales, are thus able to acquire timber at a more advantageous over-all cost than those operators who do not hold tree-farm licenses.

If the facts support this allegation, it has been suggested for consideration as one method of remedying this situation that in the event of competitive bidding where a tree-farm licensee is the successful bidder, the amount by which his bid

exceeds the unit upset price of the timber sale shall forthwith be added to the unit price covering an equal volume on a current cutting permit within the tree-farm licence area.

And further take notice that I, acting as Royal Commissioner, intend to hold public hearings at the City of Victoria, in order to determine the validity of the allegations set out above and to consider, if the facts so warrant, what remedial measures, if any, should be adopted.

And further take notice that such hearings shall commence on Monday, the 14th day of July, 1958, at the Court-house in Victoria, at 11 o'clock in the forenoon.

And further take notice that all persons whose interests may be affected and who intend to appear and make representations concerning the allegations set out above and what, if any, remedial provisions are required to be adopted are requested to furnish the Commission, on or before the 7th day of July, 1958, with fifteen copies of a brief of their proposed submissions, addressed to Captain F. G. Hart, Commission Secretary, at 317 Central Building, Victoria, B.C.

Dated at Victoria, B.C., this 1st day of May, 1958.
